ENJOY THE CONVENIENCE OF ELECTRONIC GIVING

ESUMC now offer electronic giving as a way to automate your regular weekly offering.

Electronic giving offers convenience for individual congregation members and provides much-needed donation consistency for our congregation.

Direct Debit Giving is used to automatically transfer funds from your checking or savings account to the church's bank account.

Credit & Debit Card Giving allows you to make offerings automatically on a pre-determined schedule using a credit or debit card.

Online Giving allows you to go to our website www.elsegundoumc.org at any time, to set up an automatic donation plan, change your donation plan, make a one-time donation or view your online donation history.

As you contemplate future contributions, please consider electronic giving. Authorization forms and additional information are available from the church office.

DONATE FROM YOUR SMART PHONE

We also offer a mobile version of our online giving page to make it easy for you to give anytime from your smart phone.

Simply scan the image you see here using your phone's QR code reader or go to www.elsegundoumc.org and locate the online giving page.

GROW

A GREENER APPROACH TO GIVING

Churches, because of their heavy weekly check volumes, were among the earliest organizations to embrace electronic giving as a way to automate contributions.

Today, electronic giving in all its forms provides convenience for frequent check writers and donation consistency for churches.

A less frequently discussed benefit of electronic giving is its positive impact on the environment. An enormous amount of natural resources are consumed in the production, transportation, processing and disposal of paper checks. That's why paying bills electronically always ranks high on any list of actions an individual can take to improve the environment. The trend toward electronic payments has already produced more than a 50% decline in check use since the year 2000.

As you consider the payment method you use to make your regular offering, we hope that you will think about the unique connection between financial stewardship and environmental stewardship.
